SuperSurvivalX Official Constitution

Introduction:

This text has been written to dictate what is permitted in the SuperSurvivalX Minecraft server, Discord server, Website, and all other SuperSurvivalX related things.

This text is a tool that can be used in any case related to SuperSurvivalX and is approved by any person using SuperSurvivalX' services.

This text aims to be as objective as possible and aims to allow enough freedom to its players.

Author and Copyright:

This text has been written by Deimos_666, the official owner of SuperSurvivalX, based on the original SSX-NPP server of Robin.xs

The official version of the SuperSurvivalX' constitution can be found on the SuperSurvivalX discord server and website.

Disclaimers

- Pronouns aren't inclusive to make a simpler and more legible text.
- The constitution is not complete but your sentence can be lightened if there is no article about your violation.
